

TEAM RUBICON[®] DISASTER RESPONSE

Regional and National **Domestic Disaster Response Capabilities**

Team Rubicon is an international non-profit disaster response organization that unites the skills and experiences of military veterans with first responders to rapidly deploy disaster response teams, free of charge to communities affected by disasters across the country. Team Rubicon currently maintains a roster of over 51,000+ volunteers able to deploy throughout the world. Team Rubicon stands able to deploy volunteers in the following mobilization times:

- within 12 hours: 10+ volunteers
- within 48 hours: 20+ volunteers
- within 96 hours: 30+ volunteers

(Note: Depending on assigned task(s) from city, county, volunteer numbers can be scaled significantly.)

TeamRubiconCAN.org

Team Rubicon Canada actively tracks all volunteer hours to assist local, Municipal, Regional and Provincial governments served so that they can accurately track the cost of a incident or disaster for reporting, compliance, and relief funding purposes.

Team Rubicon has fully adopted the Incident Command System. All volunteers are trained with a baseline knowledge of the ICS. All Command Staff volunteers are required to complete a more in-depth ICS curriculum.

Team Rubicon has the following capabilities:

INCIDENT MANAGEMENT

- Damage & Impact Assessment
- Disaster Mapping and Work-Order Management
- Incident Management Assistance Team

DEBRIS MANAGEMENT

- General Debris Removal
- Chainsaw Operations
- Light and Heavy Vehicle Operations
- Structure Demolition
- Muck-Out

EXPEDIENT HOME REPAIR

- Roof Tarping
- Mold Mitigation

SPONTANEOUS VOLUNTEER MANAGEMENT

- Planning and Coordination for multiple NGOs
- Volunteer Reception Center

HAZARD MITIGATION (FIRE/FLOOD)

Team Rubicon deploys equipped with all the resources required to provide the capabilities above including:

personal protective equipment, hand tools, solar-powered electrical suites, and Palantir intelligence analysis and mapping suite (mobile and static platforms). All incident management personnel are trained in the application of Incident Command System (ICS) in compliance with the National Incident Management System and deployed volunteers are trained in the basics of ICS. Team Rubicon deploys as a self-sustaining unit.
